CAUTION 1: The system can sometimes "crash" due to technical problems. If you have not completed the application, which means if you have not been shown the Application Certificate in pdf format, then you **MUST** repeat the application from the beginning.

CAUTION 2: The filing process is NOT completed only with the submission of the application electronically. Within the next few months, the competent department (DAM) to which your request has been filed will contact you in order to make an appointment in which you have to provide biometrics (prints), passport type photos, the administrative fee of 16 euros for the card printing and any additional documents needed in the file (e.g. proof of rental of a house by TAXISNET).

CAUTION 3: When you submit all of the above to the competent DAM then you will be given the Certificate of Deposit (known as a white certificate of exceptional reasons) certifying that you are protected from deportation from the country.

CAUTION 4 After submitting the application, you can [check online](#) the stage your application is at until the decision is issued.
